PREM JAIN MEMORIAL TRUST Harit Bharat Prem Mahotsav

Prem Jain Memorial Trust promotes Dr. Jain's love for Sustainability and Mother Nature through weeklong celebrations titled "Harit Prem Bharat Mahotsav". The Mahotsav is held from January 23 to 29 every year, to celebrate Dr. Jain's birth anniversary on 26th January.

Mr. Pradip Burman, Chairman Mobius Foundation was invited as key note speaker on 27th Jan, 2021. In his speech he introduced the projects and programmes of Mobius Foundation with special focus on education and population stabilisation. He emphasized on the relation between the growing population, housing, carbon emissions and need for green buildings. He motivated the youth of today to work in the field of climate change as they are the ones who will inherit this planet. He believes that for the future generations to survive, the planet has to survive.

Environment Pledge 2021

To promote the aim of the Foundation, commitment towards sustainability, the Chairman of Mobius Foundation organized a campaign to take a pledge towards Environment & Sustainability by its employees. A pledge was selected by lucky draw and it is "to segregate household, shop, establishment waste in two dustbins, wet waste in green and dry waste in blue." The pledges will be displayed every week to aware others about the small actions towards sustainability.

WEB DISCUSSION - Legends of India from 20th Century

Mr. Satyajit Ray

Mobius Foundation has started an educational initiative and exercise to inspire, motivate and encourage the team.

Through this activity we learn about famous Indian personalities of 20th century every week. Our Chairman Mr Pradip Burman started this with an idea that we should submit write up on a personality every week for next 52 weeks which can be later compiled in the form of a book.

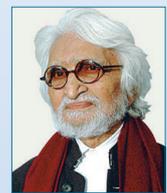

In the month of January 2021, we have discussed 4 Indian personalities Satyajit Ray, M. F. Husain, M. S. Swaminathan and M. S. Subbulakshmi each week. Everyone from the organization shared their views on the topic and the best presentation for each topic was recognized and rewarded by Chairman & CEO of Mobius Foundation.

YOUTH FOR EARTH CAMPAIGN

Mobius Foundation, Earth Day Network and The Climate Reality Project India joined hands to launch the Youth for Earth and My Future My Voice Campaigns to mark the 50th year of the Earth Day in 2020. Youths were invited to participate in the campaign and be a 'Champion for Earth' and a 'Change Maker' by submitting their activity. It was to provide a platform for youth to showcase their ground actions and influence the world that change starts from them.

For the year 2021, we are inviting Indian and South Asian motivated students to join the campaign. The upcoming initiative in #YouthforEarth is a commemoration of Mobius Foundation and The Climate Reality Project India. The campaign will commence in the month of February 2021.

DIGITAL CAMPAIGN #7Habits21Days

On the occasion of New Year 2021, we launched the #7Habits21Days campaign to cultivate environment friendly habits in the audience. The campaign introduced small, doable habits and showcased how to inculcate them in their daily lives.

MONTHLY HIGHLIGHT OF THE MOBIUS PROJECT Khushaal Parivar Diwas

National Health Mission (NHM), Uttar Pradesh is promoting Family Planning from the viewpoint of beneficiaries, limiting family & spacing children is to be pushed as right to reproductive health & option to choose from varied solutions of family planning. In this regard NHM UP state and Health ministry has set 21st of every month as Khushaal Parivar Diwas to create an informal ecosystem around family planning to reach out to young men and women. The focus of these exercises is to inform and empower them. There is great shift from sterilization camps and any kind of monetary incentives to coerce men and women in taking sterilization services as directed by supreme court. It is being replaced by creating a fixed day service where the focus should be on persuasion and quality care. On

this day, various activities are organized to promote family planning at health units from the state to the village level. Given it is Parivaar Diwas they want partners to bring festivities around the day and make it more participative on the community and centre level. Mobius Foundation is collaborating with the state government as a partner.

As the guidelines of NHM, Mobius Foundation organized Khushaal parivar diwas at Deva Community Health Centre (CHC) in Barabanki on 21st December 2020. The family planning camp was set up in CHC where we involved more people those coming to visit CHC. The camp was decorated with balloons, banners, promotable and LED TV showing advertisement of family planning in

presence of supervisors and counsellors of both districts (Bahraich and Barabanki). Almost 100+ people visited at camp and 50 couples were counselled by counsellors.

Trivediganj CHC's Superintendent inaugurated the Khushaal Parivar Diwas in Barabanki

The second successive Khushaal parivar diwas was celebrated in both districts, Barabanki and Bahraich on 21st January at Trivediganj CHC and Kaisarganj CHC respectively. Total 59 people were counselled to adopt any method of family planning. Pahal kits (the kit consists contraceptive pills, condoms, a mirror, two towels, handkerchiefs, bindi, comb, nail cutter and a glossy dossier educating the newlyweds about family planning) were given to newly married couples by CHC's counsellor.
