

JANUARY DIARY

You cannot build a flourishing tomorrow without assuming a sense of responsibility today. This New Year, join us in building a sustainable and liveable future for the next generations.

... Mr. Pradip Burman Chairperson, Mobius Foundation

2022 WELCOME

Warm wishes for a very happy, healthy and eco-friendly New Year!!

I hope you celebrated the start of the year in good spirits with family and friends. As we welcome the New Year, we reflect upon the past and make new resolutions to work upon. We at the Mobius Foundation, had a happening year 2021 undeterred by the challenges posed by Covid pandemic and uncertainties looming all over. We successfully organized the 3rd International Conference on Sustainability Education (ICSE) and capacity building programmes on Circular Economy, and strengthened project Aakar on population stabilization through tangible outcomes and also reached out to a wider audience through Mission Sustainability - Population versus Planet.

While we were expecting to come out victorious of the COVID-19 crisis by the end of the 2021, the new variant omicron has started spreading its wing across the globe reminding us to remain vigilant and continue with the new normal which we evolved during past two years. We have now learnt new and innovative ways to continue our work through positive actions towards sustainability of the planet. We need to shift our gears and accelerate actions towards a safer, healthier planet and education is the best tool that we have at hand to galvanize positive attitudes leading to action.

Wishing you all the very best for a greener and safer planet in 2022.

Dr. Ram Boojh, CEO, Mobius Foundation

HIGHLIGHTS

EMPOWERING TOWARDS CIRCULARITY

The ongoing project on Circular Economy saw the completion of its third training program held on December 14-16, 2021. Out of Total 4 scheduled training programmes (2 for educational institutions and 2 for SMEs) this one was the second program for educational institutions. The three-days online event was led by expert speakers spanning from India to Europe in the form of videos, presentations and interactive sessions. It was designed to guide the participants to act for 'closing the loop' through 7Rs viz Refrain, Reduce, Re-use, Refurbish, Recycle, Reform and Re-design and other innovative circular models to enhance their knowledge for sustainability.

The programme was attended by around 30 participants mainly from India as well as from South America, South East Asia and Africa. The programme was host to many organisations such as Sri Sathya Institute of Higher Learning, Universidad Nacional de Río Cuarto, Tech Mahindra, Corporate Governance Advisory Services, Asian Institute of Technology, Vasantdada Sugar institute, University of Nigeria, Ethiopians Public Health Institute and Indian Red Cross Society etc. The Topics discussed during the sessions were - Plastic Waste Management: Role of Educational Institutions, Strategy & Pedagogical Approaches Linked to Circular economy, Case Study on Indonesian Government Strategies, Case Study on Circular Economy in Akshar School, Case Study on WOW Initiative for Schools by ITC and many more.

AAKAR

Mobius Foundation under its project Aakar actively participated in No-Scalpel Vasectomy (NSV) fortnight observed from 22nd November 2021 to 11th December, 2021 in 2 phases. During this period 26 villages, 13 each from Bahraich and Barabanki districts were covered. The **First phase** was the Mobilization phase (22nd November to 28th November), in which awareness activities like family planning centric street play (Nukkad Natak), male and female counselling, distribution of Mala-D and Condoms, leaflet distribution and display of family planning oriented short films through Mobile LED van were conducted. The **Second phase** was the **Service delivery phase** (29th November to 11th December), where mobilised and motivated male were supported further for successfully conducting NSV of 19 males from 2 districts.

This initiative got wide coverage via **20+ media groups who covered the news, Lallantop Platform of India today group** with more than 19.7 M subscribers aired the byte of Dr. Ram Boojh, CEO and ground realities from Mr Shrawan Kumar, Program Coordinator, Mobius Foundation. So far, the video has received 2 lakhs + view with more than 7000 likes.

पोस्टल लोकप्रिय चार पुरुषों ने नसबन्दी अपनाई, मोबियास फाउंडेशन टीम के सहयोग से चहाया गया जागरूकता अभियान
प्रोजेक्ट आकार ने परिवार नियोजन में पुरुषों की सहभागिता बढ़ाई

नसबन्दी पखवाड़ा
 बहादापुर, संतलदादा

परिवार कल्याण कार्यक्रम में पुरुषों की सहभागिता बढ़ाने के लिए जनवरी में 22 नवंबर से शुरू की गई नसबन्दी पखवाड़ा चलाया जा रहा है। इसके तहत रहस्यमयी संख्या में परिवार नियोजन की टीम ने प्रोजेक्ट आकार के माध्यम से जागरूकता अभियान चलाया है। इस अभियान में संस्कृत अधिकारियों सहित श्री टीकराज का सहयोग मिल रहा है। जागरूकता अभियान से परिवार नियोजन कार्यक्रम को जिला प्रशासन पर ध्यान

प्रोत्साहन

- पुरुष नसबन्दी की सेवा देने पर 3000 रुपए मिलता है
- फाउंडेशन अलग से दो हजार रुपयें लागू की देता है

पुरुष स्वास्थ्यविधि के बिना परिवार नियोजन की सेवा की। परिवारों को अधिकारिता बढ़ाया। परिवार कल्याण कार्यक्रम की योजना अधिकारियों से अपर मुख्याधिकार अधिकारियों को, 'मोबियास' और ने चलाया कि अन्य तक पखवाड़े के दौरान पुरुष नसबन्दी की संख्या बढ़ा दी गई है। श्री-टीकराज

कौन अपना सकता है पुरुष नसबन्दी

समस्त पुरुष 18 से 59 वर्ष की आयु के पुरुष पुरुषों को। इसके अलावा प्रत्येक पुरुष को अपने पत्नी को अधिकार देना, और सभी को उच्च पुरुषों को अधिकार देना। सभी को अपनी पत्नी से सहमत होना चाहिए। यह एकमात्र तरीका है।

GYAN ANANT VIDYALAYA

Several studies suggest playing sports develops a child's self-confidence and self-esteem. Keeping the similar spirit, a two-day inter-house sports competition was organized at Gyan Anant Vidyalaya, Atrauli, Ghaziabad. Football and cricket matches were kept in which 3rd to 8th standard students participated.

On this occasion, students along with Principal, teachers and administrative staff attended and cheered the team.

FUNNY SIDE

Humans are the only creatures that will cut down a tree, turn it into paper, then write "Save Trees" on it!
