

# MAY DIARY

“*Every Bit of plastic ever made still exists somewhere. RE-CYCLE FOR THE LIFE CYCLE.*”

... Mr. Pradip Burman  
 Chairperson,  
 Mobius Foundation

## Miles To Go Before We Sleep.....

Creating a great and rewarding place for people to work is a major step towards creating a productive work environment. We are happy to announce that Mobius Foundation has got a new office, right in the heart of Delhi. Please update your records with our new address (301, Antriksh Bhawan, 22 Kasturba Gandhi Marg, New Delhi 110001).

## Mission Sustainability – Population Vs Planet

The closing ceremony of “Mission Sustainability: Population vs Planet” took place at The Leela Palace, New Delhi on 28th April, 2022. Mr Sudhir Chaudhary, CEO and Editor-in-Chief, WION opened the ceremony. Dr Rajendra Singh, “The Waterman of India” shared his motivational words and emphasized on the need to revive traditional Indian wisdom to build a better future for our children.

There were two panel discussions with experts on separate themes “India’s Roadmap to Sustainability” and “The Way Forward” respectively. Mr. Kartikeya Sarabhai, Founder and Director, CEE, spoke about the major contradiction of developing economy and preserving climate friendly traditions and emphasized that we need to work on it. A white paper based on the key outcomes of the year-long campaign was released by Mr. Kartikeya Sarabhai, Mr Rajendra Singh and Mr. Pradip Burman, Chairman, Mobius Foundation. The Fireside chat was conducted by Ms. Palki S Upadhyay, Executive Editor, WION with Mr. Pradip Burman on the most pressing issue of overpopulation, responsible for increasing global warming, deforestation, pollution, wildlife and habitat loss. At the end, Ms Palki S Upadhyay made the closing statement and vote of thanks.

### Happy Earth Day: Invest in Our Planet

GAV celebrated Earth Day with enthusiasm on 22nd April 2022. The students participated in "Nature Rally" with great zeal and many other activities such as germination of seeds, planting more trees, trash sorting, wall hanging, go green, blue day etc. were done. Students took responsibility of taking care of plants and protecting the planet from increasing pollution and deforestation.

Let's take a pledge. Hold hands together and say...  
We are making our world a happier and healthier place to live

**Happy Earth Day**

## Digital Campaign

### World Health Day (#OurPlanetOurHealth)

The day was celebrated through sharing video & reel on social media platforms keeping in mind that we have to work in tandem with nature. Educating people that if we take care of ourselves, we are taking care of our planet. Be healthy in & out to keep surroundings healthy.

## AAKAR

Mobius foundation participated in the review meeting of development activities and role of NGOs in the aspirational district Bahraich, chaired by Union Minister of state for Livestock and Fisheries

department, Dr. Sanjeev Baliyan. MF activities implemented under Project Aakar were presented in the meeting. Minister and District officials acknowledged the good work being done by MF and assured all necessary support to intensify the activities in the area.

## Great Place To Work

"Work environment impacts the quality of output and output influences the impact on the society."

Mobius Foundation is delighted to receive the "Great Place To Work" certification for the consecutive 2 Years, based on the parameters of credibility of management, respect for people, fairness at the workplace, pride and camaraderie between people, reflecting commitment to build a workplace culture that focusses on high standards of employee engagement, happiness and trust.
