

# JULY DIARY

**“Climate change, if not controlled, will have irreversible impact. It is time we let our young minds take charge in our fight against global warming.”**

. . . Mr. Pradip Burman, *Chairperson, Mobius Foundation*

## NEW PROJECT LAUNCHED

## ‘MOBIUS YOUNG CLIMATE LEADERS FOR HIMALAYAN DEVELOPMENT’

The Mobius Young Climate Leaders for Himalayan Development programme launched on 12 June 2023 at Dimapur, Nagaland aims to train and equip 15 climate leaders who will play a vital role in imparting the customized Pani Pahar Curriculum developed by University of Cambridge across all grades in 15 selected schools in Dimapur. This curriculum has been specially designed to raise awareness and enhance knowledge about climate change and environmental sustainability among youths.

This programme is made possible through the collaborative efforts of the Climate Studies and Knowledge Solution Centre in Dimapur, along with YouthNet, Health Education, and the Government of Nagaland. The programme also marked the

entry of Mobius Foundation into the ecologically sensitive northeast region of India and is a significant milestone in the organization’s ongoing mission to create a positive environmental footprint across the country.

## AAKAR

**Strengthening project Aakar to facilitate eligible couples in taking informed family planning decisions**

Project Aakar is now expanding its reach to more blocks of district Bahraich. Along with Huzoorpur and Tejwapur blocks, Mobius Foundation in partnership with Population Foundation of India is now completely operating in Jarwal block (121 villages) to implement set of family planning related facilitatory and capacitating activities in a comprehensive manner. This partnership is aimed to develop a model of family planning mechanics and look forward to get it approved from state government for scaling it up at district/state level.

Ongoing activities of project Aakar in Bahraich and Shravasti district includes distribution of morning after pills and champion maa baap card, celebration of Khushal Parivar Diwas, facilitation in administering Antara Injection, IUCDs to counselled and willing females, facilitating counselled male and females ready to undergo tubectomy and Non-Scalpel Vasectomy.

*Mobius Team motivated 2 eligible males to opt and Health talk and family planning counselling undergo Non-Scalpel Vasectomy*

## YOUTH FOR EARTH 2023: WORLD ENVIRONMENT DAY EVENT

Mobius Foundation and The Climate Project Foundation celebrated World Environment Day with the youth

on 5th June 2023 in an online mode. More than 150 teams joined from South Asia with great enthusiasm and shared their ideas for the betterment of Mother Earth. The youth also registered for Youth for Earth 2023 during the event. Everyone was excited to submit their best project and thus shared a volley of questions regarding the submission process. The winners of the Y4E championship will be decided based on the scale of the project, its impacts, and replicability potential. Last date of project submission will be 31st July, 2023. Y4E winners will be addressed at the 5th ICSE platform at IHC, New Delhi, on 19 & 20 September 2023. To know more please visit: <https://icse-esd.org/youth-for-earth-2023.php>

# ICSE 2023

The domain name of ICSE website is changed. The website can now be found at [www.icse-esd.org](http://www.icse-esd.org). Invitations have been sent to various stakeholders and an overwhelming response has been received for registrations, abstracts, papers, concept notes and session proposals for the conference. Multiple parallel thematic sessions will be organized during the conference on the themes including “Building A Multi-Country Civil Society Partnership to Increase the Resilience Of Coastal Population In South Asia”, “Sustainability Education – Role of Schools, Colleges, and Universities”, “Nature-Based Solutions for Climate Action”, etc. Jesus and Merry College, Government of Nagaland, The Sustainability Mafia, South Pole, Green Literature Festival, the Zaheer Science Foundation, and Skill Council for Green Jobs have joined us as valued and technical partners. Partnerships are open for both sponsorship and technical support in the form of paper/poster presentations during various theme-based sessions. The conference website has been updated with details about the call for papers, abstract submission guidelines, sponsorship forms, and scholarship proforma. For more details about the conference kindly visit: <http://www.icse-esd.org/index.php>

## GYAN ANANT VIDYALAYA (GAV)

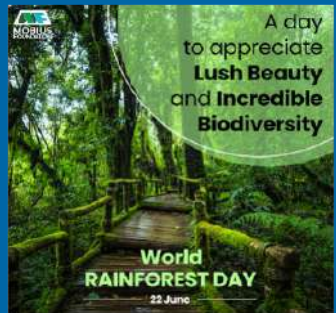

GAVians fetched a total of 14 medals in District level Kids Open Athletics championship 2023, organized by District Athletics Association Ghaziabad at Mahamaya Sports Stadium, Ghaziabad on May 8, 2023. The medals were under the categories of 8, 10, and 12 years age group. More than 150 students from reputed schools of the Ghaziabad district participated in the competition.

### A challenging opportunity

GH2 technology can lead India's energy security in a decarbonising world, but only if challenges of technological adoption, water management, and infrastructure development are addressed

**GH2** will play a critical role in India's efforts to decarbonise its energy generation capacity.
