SEEDS OF CHANGE: State of the Education Report for India 2023

Education to address climate Change

18th October, 2023, UNESCO OFFICE, INDIA, New Delhi UNESCO in partnership with Mobius Foundation launched SEEDS OF CHANGE: State of the Education Report for India 2023.

Mobius Team also set up a booth in this event to showcase various activities and projects being conducted by Mobius Foundation.

This report focuses on the interaction of two Sustainable Development Goals (SDGs)- Quality Education (SDG 4) and Climate Action (SDG 13) – in the context of India, particularly Target 4.7 (Education for Sustainable Development [ESD] and Global Citizenship Education) and Target 13.3 (building knowledge and capacity to address climate change).
